

**TD
WRIGHT**

**Modular™ Magnetic
Plate Cylinder**
for Rutherford Decorator

We offer the latest productivity refinement, Modular™ magnetic, for the Rutherford decorator. Since 1984, when T.D. Wright set the standard for plate cylinders, innovation and reliability have been our commitment to the industry.

Model MMC8-CD2

MODEL MMC8-CD2

The lightest and most precise cylinder for your Rutherford decorator is available from T.D. Wright. Rutherford Decorator cylinders are available with OEM type (eccentric adjustment) or 270 degree ring and pinion end caps. All T.D. Wright cylinders are available with pin register systems to match your needs.

BENEFITS:

- Conventional eccentric type and cap
- Lightweight Rutherford cylinder at 5.5kg
- Modular™ Magnetic construction eliminates plate lift
- Precision register pins in true position within .001mm
- Steel bores for durability
- Proven OEM supplier quality
